This cute little rosebud is perfect for making a card for that someone special or use it for small projects such as a trinket box lid, for embellishing a little jersey or hat, for your crazy patchwork and for anything else you may think!

Print the design above and refer to:

How to copy and print the image onto fabric on page 10 of my [Roses book](#).

Follow directions of the [Remember Me Rose](#) on page 99 in my Roses book.

Enjoy yourself.... Love Di van Niekerk ♥
