This cute little card is perfect for embroidering for that someone special or use it for small projects such as a trinket box lid, for embellishing a little jersey or hat, for your crazy patchwork and for anything else you may think of!

Enjoy yourself.... Love Di van Niekerk ♥

PS. If you have my Embroidered Alphabets book, see page 86 for how to embroider the letter N and [click here](#) for more about embroidering the letters of a word, name or sentence.
